Dear Mr. Merriman:

The following information is required and provided to support the license application for the export of controlled articles out of the United States to [insert foreign company name]. We are aware that this information will be provided to the U.S. Department of Commerce in support of your export license application.

- The hardware being purchased consists of the following:
[insert quantity, description, and dollar value – this should be identical to the Purchase Order]
- The purpose consists of the following:
[insert description including if it will be incorporated into another end-item]
- This hardware is in support of Purchase Order/Contract #: [insert #]
- The Purchaser is the following:
[Insert name and address]
- The Foreign Consignee (company who will receive shipment from the Purchasing company for modifications or incorporation into another end-item and subsequent forwarding to the foreign end-user) is the following:
[Insert name and address]
- The Intermediate Foreign Consignee (Foreign Freight Forwarder/Brokers) is the following:
[Insert name and address]
- The ultimate end-user of the hardware is the following (list every entity and platform/manufacturing equipment type, etc.):
[Insert name and address]

By signing below, I certify that the above information is accurate and reflects the end use and end user of the equipment/hardware identified above. I further certify my understanding that these goods are controlled by the U.S. Department of Commerce, Export Administration Regulations, and any incountry

retransfer or reexport of these goods to another party not defined above requires authorization by the U.S. Department of Commerce, Bureau of Industry Security (Commerce/BIS).

I further certify that no party from (insert foreign company name) involved in this export transaction has been charged with violating the Export Administration Regulations (EAR) or is ineligible to receive Commerce Control List items.
